TERMS AND CONDITIONS

1. **Price Changes**. Seller may change the price of the Goods on the first day of any calendar month by giving Buyer at least 15 days' notice. Buyer' s failure to object to a proposed change at least 5 days before its effective date constitutes acceptance. If Buyer objects, Seller may (i) rescind the price change, (ii) negotiate with Buyer regarding a different price or (iii) terminate this Contract effective on or after the date of the proposed change. If Seller is prevented from revising any price hereunder by reason of any law, governmental decree, order or regulation, or if at any time any price otherwise in effect hereunder is nullified or reduced by reason of any law, governmental decree, order or regulation, Seller may terminate this Contract effective on or after the date of notice to Seller.

2. **Payment Terms**.

2.1. **Paymentt**. Payment shall be made in the currency stated on the cover page attached hereto by electronic funds transfer to the bank and account specified by Seller or other method as agreed upon by Seller without any withholding, deduction, set-off or counterclaim whatsoever. If (i) Buyer (a) is in default of this or any agreement with Seller, (b) breaches any agreement with Seller or (c) fails to make full payment when due hereunder or (ii) Seller is not satisfied with Buyer' s financial responsibility, Seller (1) is not obligated to ship any Goods, (2) may require a letter of credit or other security before shipment of the Goods and (3) may change the price of the Goods and payment terms. Late payments will bear interest, compounded daily, at a per annum rate equal to the lesser of (i) the prime rate charged by Seller' s primary bank plus 2%, or (ii) the maximum rate allowed by applicable law, from the date due until the delinquent payment is received. Unless otherwise set out in the cover page attached hereto or agreed in writing by Seller, all payments must be made by Buyer in full within 30 days after receipt of the relevant invoice from Seller.

2.2. **Taxes**. All taxes, excises and other governmental charges (except taxes based on Seller' s net income) imposed on the production, sale, transportation, delivery or use of the Goods on or after the Effective Date that Seller is required to pay will be added to the price. Refusal of Buyer to pay those amounts may, in Seller' s sole discretion and without prior notice to Buyer, result in the cancellation of credit terms, refusal to accept or deliver orders or cancellation of this Contract.

2.3. **Foreign Exchange**. In the case of any payment in foreign currency or foreign currency costs incurred by Seller, Seller will be entitled to recover any exchange rate loss to Seller between the date of due payment and the actual payment date if BUYER makes any late payments to Seller.

3. **Shipment**; Risk of Loss and Title. Unless otherwise stated in the cover page(s) attached hereto, shipment will be as ordered by Buyer in approximately equal monthly quantities. Notwithstanding the foregoing, Seller will not be required to ship in any one calendar month more than 10% of the annual quantity specified in this Contract for the then-current Contract year. Shipment dates contained in orders, quoted by Seller or otherwise acknowledged by Seller will be considered estimates only and are not guaranteed by Seller. Risk of loss and title to the Goods pass to Buyer when the Goods are delivered to the #ship from" point stated on the cover page(s) attached hereto.

4. **Freight**. If Seller is to pay freight, Seller may initially designate the means of transportation and routing. If Buyer desires or requires a more expensive means of routing, Buyer shall pay any extra cost involved.

5. **Surcharges**. Prices do not include surcharges for energy, transportation or other extraordinary or unexpected increases incurred by Seller in connection with the manufacture, supply or delivery of the Goods. Seller reserves the right, without prior notice to Buyer, to add applicable surcharges to its invoice for Goods sold. Buyer' s failure to pay such surcharges may, in Seller' s sole discretion and without prior notice to Buyer, result in the cancellation of credit terms, refusal to accept or deliver orders or cancellation of this Contract.

6. **Handling**; Containers; Demurrage.

6.1. **Handling**; Containers. Buyer acknowledges that the Goods may require special handling, storage, transportation, treatment, use or disposal to comply with applicable safety and environmental laws, and Buyer shall take all actions necessary to comply with these laws and to avoid spills or other dangers to persons, property or the environment. Buyer certifies that containers and allied equipment presented by it at the #ship from" point will be fit for the Goods and that all handlers and transporters secured by it will have any certifications as required by law. Seller may refuse to load Buyer' s containers if Seller reasonably believes that the quality of the Goods will be prejudiced or that any unsafe condition exists. Buyer shall (i) unload and release all transportation equipment promptly, so that Seller will incur no demurrage or other expense or loss, (ii) comply with instructions Seller may give for return of transportation equipment and (iii) pay any invoice for demurrage or other expense or loss caused by Buyer within 10 days from date of invoice therefor.

6.2. **Marine Demurrage**. Without prejudice to Section 6.1, if the pricing hereunder includes freight up to the discharge port, then once the vessel has arrived at the discharge port and is ready to proceed to the berth for discharge, the vessel shall tender NOR (Notice of Readiness). Seller will provide sufficient laytime for customary discharge operations; provided, however, if there are any delays in getting the vessel onto the berth or delays in commencing the discharge that result in demurrage, such demurrage will be for the account of Buyer. Laytime will only commence after the expiration of 6 hours after tendering NOR, or upon ALL FAST (secured) at the berth, shifting time not to count. All NOR times are subject to validation. If other cargo is being loaded or discharged from the same performing vessel for Seller, Seller will prorate between the cargos the laytime used waiting for berth and the laytime used loading or discharging.

6.3. **Truck Detention Expenses**. Without prejudice to Section 6.1, if the pricing hereunder includes transportation up to the delivery point, then once the trucks have arrived at the delivery point and are ready for discharge, Buyer shall unload and release the trucks promptly, so that Seller will incur no truck detention expenses or other expenses or loss. Buyer shall pay any invoice for truck detention expenses or other expenses or loss caused by Buyer within 10 days from date of invoice therefor.

7. **Warranty**. Seller warrants that upon shipment the Goods will conform to the specifications, if any, attached as Exhibit B to this Contract or, if none, Seller' s standard specifications for such Goods and that upon payment of the purchase price in full Buyer will have good title to the Goods, free and clear of any liens (except those caused by Buyer). EXCEPT AS SET FORTH ABOVE, SELLER MAKES NO WARRANTY, REPRESENTATION OR CONDITION OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE GOODS OR THE CONTAINERS IN WHICH THE GOODS ARE SHIPPED. SELLER EXPRESSLY EXCLUDES ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY PARTICULAR PURPOSE.

8. **Claims**. Buyer must test and inspect the Goods for compliance with this Contract within a reasonable time after each shipment is received. If Buyer believes Goods are deficient or defective in any respect, Buyer shall notify Seller in writing accompanied by supporting documentation reasonably acceptable to Seller by the earlier of (i) 3 business days after receipt of any shipment as to weight discrepancies and 30 days after receipt of any shipment as to any other deficiency or defect and (ii) before any part of the Goods (except for reasonable test and inspection quantities) has been changed from its original condition, or Buyer will have waived any rights or claims against Seller. Any claims for delay or non-delivery must be made in writing within 30 days of delivery or the date fixed for delivery, respectively. Subject to the foregoing, any claim for breach of contract must be made in writing within 12 months of the date of the incident giving rise to the claim. Seller' s invoice weights, volumes, sizes and tares will govern unless proved erroneous. Unless otherwise provided in the cover page, variations of any shipment from invoice quantity of 1% or less in the case of tank trucks or tank cars and 0.5% or less in the case of barges and ships will be disregarded.

9. **Limitation of Liability**. (i) IN NO EVENT WILL BUYER' S DAMAGES OR OTHER RECOVERY FROM SELLER IN ANY CAUSE OF ACTION, WHETHER BASED ON CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), ENFORCEMENT ACTION OR ANY OTHER THEORY, EXCEED THE PRICE PAID BY BUYER FOR THE SPECIFIC GOODS AS TO WHICH THE CLAIM IS MADE. (ii) SELLER WILL NOT BE LIABLE, AND BUYER WAIVES ALL CLAIMS AGAINST SELLER, FOR INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR OTHER NON-DIRECT DAMAGES, INCLUDING, BUT NOT LIMITED TO, BUSINESS INTERRUPTION OR LOST OR PROSPECTIVE PROFITS, WHETHER THE CLAIM IS BASED ON CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), ENFORCEMENT ACTION OR ANY OTHER THEORY. SELLER WILL NOT BE LIABLE TO BUYER FOR, AND BUYER SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SELLER AND ITS AFFILIATES FROM AND AGAINST, ALL OR ANY PART OF ANY CLAIMS, LIABILITIES, LOSSES, DAMAGES AND COSTS AND EXPENSES (INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND EXPENSES) (COLLECTIVELY #CLAIMS") FOR INJURY OR DEATH TO PERSONS (INCLUDING, BUT NOT LIMITED TO, THIRD PARTIES AND BUYER' S EMPLOYEES, CONTRACTORS AND SUBCONTRACTORS AND THEIR EMPLOYEES) AND DAMAGE OR LOSS OF PROPERTY (INCLUDING, BUT NOT LIMITED TO, THAT OF BUYER OR THIRD PARTIES) ARISING OR RESULTING FROM BUYER' S PURCHASE, TRANSPORTATION, RECEIPT, HANDLING, STORAGE, PROCESSING, USE, DISPOSAL OR RESALE OF THE GOODS, ALONE OR IN COMBINATION WITH OTHER SUBSTANCES. (iii) ALL TECHNICAL ADVICE, RECOMMENDATIONS AND SERVICES PROVIDED BY SELLER ARE INTENDED FOR USE BY PERSONS HAVING SKILL WITH RESPECT TO THE SUBJECT MATTER INVOLVED AND TO BE USED AT THEIR OWN RISK. SELLER ASSUMES NO RESPONSIBILITY, AND BUYER HEREBY WAIVES ALL CLAIMS AGAINST SELLER, FOR RESULTS OBTAINED OR DAMAGES INCURRED FROM THE USE OF SELLER' S ADVICE, RECOMMENDATIONS OR SERVICES. BUYER SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SELLER AND ITS AFFILIATES FROM AND AGAINST ALL CLAIMS ARISING OR RESULTING FROM SPECIAL MARKING OF THE GOODS OR CONTAINERS IN ACCORDANCE WITH BUYER' S REQUESTS AND UNDER CLAIMS OF DIRECT OR INDIRECT PATENT INFRINGEMENT RESULTING FROM BUYER'S USE OF THE GOODS INCLUDING ARTICLES MADE FROM THE GOODS. THE RIGHTS AND REMEDIES SET FORTH IN THIS SECTION CONSTITUTE THE EXCLUSIVE RIGHTS AND REMEDIES OF BUYER AND ITS AFFILIATES, STOCKHOLDERS, SUBSIDIARIES, EMPLOYEES, DIRECTORS, OFFICERS AND AGENTS.

10. **Allocation**. Seller will allocate all Goods produced among its existing and prospective customers, its own requirements and the requirements of its or its parent' s divisions, subsidiaries and affiliates in a manner and amount that Seller deems fair and reasonable, without obligation to obtain similar Goods from other sources. If for any reason a shortage occurs in the Goods or Seller' s supply of the materials necessary to produce the Goods, Seller will have the right to first satisfy its own requirements and the requirements of its or its parent' s divisions, subsidiaries and affiliates for such Goods or materials, as applicable.

11. **Force Majeure**. No party will be liable for non-performance or delay in performance, except Buyer' s obligation to pay for Goods delivered, if performance as agreed has been made impracticable by the occurrence of a contingency the non-occurrence of which was a basic assumption on which the Contract was made. Such contingencies include but are not limited to any non-performance or delay in performance due wholly or partly to any cause not in the party' s control or not avoidable by exercise of reasonable diligence. Upon the occurrence of any such contingency, the party affected must give the other party(ies) reasonable notice thereof and may suspend or reduce deliveries during the period of such contingency, and the total quantity deliverable under this Contract may, at the reasonable option of the affected party, be reduced by the quantities so omitted. The following, while not an exclusive listing, will, unless demonstrated clearly to the contrary, be considered not to be within a party' s control or avoidable by exercise of reasonable diligence: labor controversies; court decrees; inability to use the full capacity of plants or facilities as a result of governmental action, machinery malfunctions or breakdown; and inability, without litigation or the payment of penalties or unreasonable prices or the acceptance of unreasonable terms and conditions, to obtain fuel, power, labor, containers, transportation facilities or materials necessary to produce the Goods.

12. **Confidentiality**. For purposes of this Contract, all information, including but not limited to technical, financial and business information, drawings, product or process specifications, pricing and data furnished by either party (collectively, #Information") will be considered proprietary, and the receiving party shall keep confidential and not reveal to third parties any such Information, unless this requirement is waived expressly in writing by the disclosing party. No party shall make any public statements with respect to the business, personnel or affairs, including the existence or terms of this Contract, nor use the name, trademark, or likeness of the other party(ies), without the express prior written consent of an authorized representative of such party(ies). Without limiting the foregoing obligation of confidentiality, this obligation also includes a prohibition upon confirmation to any third party that the price available pursuant to this Contract is higher, lower or equal to any competitive price offer. This clause does not apply to any Information that is (i) subject to an obligation to disclose under applicable law or that is required to be disclosed by any competent regulatory authority by notice or otherwise, (ii) already in the possession of the receiving party other than as a result of a breach of this Section or other obligation of confidentiality, (iii) in the public domain other than as a result of a breach of this Section or other obligation of confidentiality or (iv) independently developed without use or benefit of the Information. Information disclosed under this Contract will not be deemed to be within the foregoing exceptions merely because such information is embraced by more general information in the public domain or in the receiving party' s possession. The receiving party acknowledges that damages for improper use or disclosure of Information may be irreparable. Therefore, the disclosing party is entitled to seek equitable relief, including without limitation, injunction and preliminary injunction from any court of competent jurisdiction, in addition to other remedies, as a result of receiving party's breach or threatened breach of this Section.

13. **Export Licenses**. Seller will obtain, at its cost and expense, such export licenses in relation to the supply of Goods to Buyer as are from time to time required. If requested by Seller, Buyer will provide reasonable assistance to Seller, at Buyer' s expense, to enable Seller to obtain such export licenses. Buyer will obtain, at its cost and expense, such import licenses and other consents in relation to the importation or carriage of Goods as are from to time required and, if requested by Seller, will make those licenses and consents available to Seller prior to the relevant shipment. If requested by Buyer, Seller will provide reasonable assistance to Buyer, at Buyer' s expense, to enable Buyer to obtain such import licenses and other consents as referred to herein. The Goods are subject to the trade laws and regulations of the United States and other countries, including the Export Administration Regulations and the sanctions program administered by the Office of Foreign Assets Control of the United States of America. Buyer undertakes (i) not to ship, divert, transship, transfer, export or re-export any Good, or any component thereof (either by itself or as part of any other goods), in violation of any applicable laws and regulations to any U.S. embargoed country (including without limitation Iran, North Korea, Sudan and Syria) (ii) not to engage in any unauthorized dealing with a party included on any restricted person list, such as the OFAC Special Designated Nationals and Blocked Persons List, or the U.S. Department of Commerce Denied Persons List, which may be updated from time to time; and (iii) to otherwise comply (and cause those under its control to comply) at all times with all applicable laws, rules and regulations of the United States and all other affected jurisdictions relating to the export or import of goods. If Buyer becomes aware of any use of the Goods that is not in compliance with any applicable laws, rules or regulations of the United States or any other affected jurisdiction relating to the export or import of Goods or builds a plant or begins to do business in a new jurisdiction, Buyer shall promptly notify Seller thereof in writing.

14. **Right to Audit**. Seller shall have the right, at its expense, to a third party audit of Buyer' s compliance with the terms and conditions of this Contract. In the event a noncompliance is found, Buyer shall correct the noncompliance and pay all costs of the audit. In addition, at Seller' s option, Seller is entitled to terminate this Contract and/or any purchase orders hereunder without any liabilities.
