In case of default, SELLER may charge interest from the date upon which the invoice falls due until the date of full payment at a rate not exceeding 24% per annum, or the maximum rate permissible under applicable law. If BUYER should fail to fulfil the terms of payment, or should SELLER have any doubt as to BUYER's financial ability, SELLER may at its discretion demand immediate payment of all outstanding balances whether due or not, cancel all outstanding orders, and decline to make further deliveries except upon receipt of cash or satisfactory security. BUYER may not set off or withhold any payment in respect of any claim.
7. The purchase price is exclusive of value-added tax, goods and services tax, customs and import duties or other taxes and duties. Any such taxes shall be added to the purchase price and are for BUYER's account.
