2. No claim of any kind, whether as to Products delivered or for non-delivery of Products, shall be greater in amount than the purchase p rice of the Products in respect of which such damages are claimed. Failure to give notice of any claim within ninety (90) days from date of delivery, or the date fixed for delivery, as the case may be, shall constitute a waiver by BUYER of all claims in respect of such Products. In no event shall SELLER be liable for any special, indirect, consequential or moral damages. Products shall not be returned to SELLER without SELLER's permission. No claim shall be allowable after Products have been processed in any manner.
3. In the event of failure of BUYER to take delivery/possession of the Products, i) the cost of storage and other expenses incurred due to the non-acceptance shall be paid/reimbursed by BUYER; and ii) SELLER reserves the right to treat the non-acceptance as breach of contract and seek all remedies and rights available under these terms and conditions as well as under any other the applicable laws.
4. Risk of loss of the Products shall pass to BUYER at the point of delivery. Unless otherwise specified in this Agreement, delivery shall be deemed complete when Products are consigned to carrier. Regardless of whether delivery having been made, title to the Products (including without limit, legal title) shall remain with SELLER until such time as BUYER shall have paid to SELLER unconditionally the full price of the Products and of any other Products the subject of a contract of sale between SELLER and BUYER whether or not those sums have become due for payment. A cheque given by BUYER in payment shall not be treated as p ayment for this purpose until the same has been cleared.
5. SELLER's measurements taken at shipping point shall govern, unless proven in error.
6. Any non-compliance with SELLER's terms of payment shall constitute default. In case of default, SELLER may charge interest from the date upon which the invoice falls due until the date of full payment at a rate not exceeding 24% per annum, or the maximum rate permissible under applicable law. If BUYER should fail to fulfil the terms of payment, or should SELLER have any doubt as to BUYER's financial ability, SELLER may at its discretion demand immediate payment of all outstanding balances whether due or not, cancel all outstanding orders, and decline to make further deliveries except upon receipt of cash or satisfactory security. BUYER may not set off or withhold any payment in respect of any claim.
7. The purchase price is exclusive of value-added tax, goods and services tax, customs and import duties or other taxes and duties. Any such taxes shall be added to the purchase price and are for BUYER's account.
8. The foregoing provisions shall in no event relieve BUYER of its obligation to timely pay in full a Product invoice.
9. In the event of any government action or request which prevents SELLER from making a price increase or continuing any price already in effect, SELLER, by giving BUYER thirty (30) days prior written notice, may cancel this Agreement immediately without liability.
10. Unless expressly authorized in writing by SELLER, BUYER shall have no right to use SELLER's Trademarks in connection with the use or sale of the Products or any goods derived therefrom.
11. In the event of inability for any reason to supply the total demand for the Products, SELLER may allocate its available supply among any or all purchasers, on such basis as it may deem fair and practical, without liability for any failure of performance which may result from such allocation.
12. Neither Party shall assign or transfer the contract, in whole or in part, without the prior written consent of the other Party; provided, however, and notwithstanding anything to the contrary in this contract, SELLER may, without the other Party's prior written consent, assign this contract, in whole or in part, to: (i) any Affiliate; and/or (ii) any purchaser of all or substantially all of the assets in the line of business to which this contract pertains; and/or (iii) any successor entity that results from reincorporation, merger, consolidation, sale, or other similar transaction or reorganization of any kind of SELLER or its Affiliate with or into such purchaser or successor entity.
